

RAMBHA COLLEGE OF EDUCATION

MANAGED BY : RAMBHA SOCIAL WORK & EDUCATIONAL TRUST

Brochure and course content along with CLOs of value-added courses

Rambha College Of Education is an affiliated college, it has to follow the curriculum framed by the affiliating University. The university modifies the curriculum from time to time taken into consideration the modern global trends. With the thrust on IT, the curriculum for B.Ed. continues to be evaluated, modified and reframed by the affiliating university to meet the demands of the present day society. The introduction of Educational Technology as a foundation paper by the University is a concrete step in this direction.

At the local level, Rambha College of education strives to include the recent emerging trends and technology into the broad curriculum frame work. It has introduced the value added courses during the last three years. These include:-

The first is effective communication in Classroom Process.

The communication skills in teacher education require illustrations, explanations, concepts, probing, and simulation variation viewed in terms of communication. This includes verbal as well as written communication skills.

It organized program on Effective Communication in Classroom Process with Holistic Need for Meaningful Education, through collaboration with expert Miss Aishwarya karmakar .

The Practice Teachings are grouped into 10 and they are oriented and given practice for development of communication skills both verbal and written communication skills. During the free discussion session in the subjects, the group teacher provides selected lesson plan to the PTs and enables them to understand the written communication skills. **ICT** is an integral part of modern education.

RAMBHA COLLEGE OF EDUCATION

MANAGED BY : RAMBHA SOCIAL WORK & EDUCATIONAL TRUST

RCE is equipped with a good computer laboratory and Language Lab. The PTs are given assignments to be carried out with the help of computers. It possesses number of charts, pictures, models; even slides and CDs which are available to the PTs for use during practice teaching and otherwise.

It is imparting knowledge of the computer through theory classes as well as providing enough time to gain practical knowledge. Computer aided Instruction is a regular feature of our B.Ed. program. The lectures in the classes are supplemented by technology.

The curriculum content for B.Ed. is mostly transacted among PTs by transparencies/ power point presentations.

The library is equipped with computers and internet facilities which help PTs in accessing information.

Yoga camp, personality development programs, training of Cybercrime, self Defense etc. develops life skills in students.

Our institution has already been providing computer education for development of ICT skills. Apart from this, we are organizing different extension activities for developing the life skills, the spirit of social responsibility and also community orientation.

Present day education is no longer confined to the four walls of the class room. Realizing this trend and need PTs are involved in outdoor activities;

Participate in Inter-collegiate and social services. **Community based orientation** is given during the outreach program. Students visit nearby localities and spread awareness among the community people on issues such as gender discrimination, women empowerment etc.
