## Peer Feedback

For collaborative learning, peer feedback identifies mistakes, solve problems, improve the sense of autonomy and develop critical thinking among students. It regularly helps the students to understand themselves and enhance their personality in better way. On 11<sup>th</sup> January 2023, Rambha college of education organized peer feedback programme with the coordination of students and teachers.

## Multilingual Interaction

Learning language will strengthen student's ability to concentrate, remember and understand material. Language learning requires finding new ways to express your thoughts and feelings, which students find easier in academia. On 2<sup>nd</sup> May 2023 multilingual programme organized in Rambha college of education. Students wanted to know the selection of Right medium to express their language. Asst. Professor Aishwarya Karmkar expressed about the importance of body language, building an environment of trust and confidence, use of simple language, intrapersonal and interpersonal communication etc.
