WORKSHOP FOR WASTE MANAGEMENT

Resource reuse minimizes waste, damage and disruption. Recycling conserves energy saves money prevent pollution from waste materials our college organized workshop on mushroom cultivation flower pot making preparation of teaching learning materials. In our organization children use the blue dustbin and the green dustbin correctly, Hazardous material (Phenyl bottles, medicine wrappers acid bottles metal objects, broken gadgets etc.) and non- hazardous materials (vegetable peels, fruit peels, eggshells, grain dust, decaying matter, paper etc.) They are also given training from time to time on how to throw all these things in the dustbin. On 18.5.2023, a workshop was organized by Ms. Rashmi Lugun in relation to waste material and innovative decorative items.
