Election Awareness Campaign

Our Nation is democratic and the system here depends only on elections and voting. To give information about this effect, an awareness program related to voting and election was organized at Rambha College of Education on 4th October 2019. In this event, knowledgeable experts from the Government Department came to the college premises, who informed the students about their duty, right to vote and also told them about the right way to vote. The exporters pointed out that the students who belong to the youth after the age of 18 and are also the citizen of the country. With downloading the iVOTE for better India app, all students registered their name. And also they need to have information related to elections and in this direction this program will play a positive role.
